

In partnership with the **SHINE Initiative** and **HealthAlliance**, the support of our premiere sponsor, **Fidelity Bank**, and with the love and support of our family friends and community, we have been able to share Michael's story and the struggles of depression with thousands of young people throughout our region. Through our events and fundraising efforts, we have raised tens of thousands of dollars which has been put back into the community to support mental health services and resources.

To this date, Michael's Run has donated:

- \$10,000 to the Leominster Education Foundation
- \$5,000 to HealthAlliance emergency mental health treatment services
- \$2,000 toward helping to facilitate support resources for parents and families
- \$5,000 to launch the "Let's Go 1, 2, 3 Wellness Program" for young children at risk
- \$3,000 to Healthier Minds Social Monthly Support Group (annual)
- We are currently working on the following:
 - Working with the superintendent's office to implement ongoing support resources for our young people through our schools.
 - Mental health training as well as mental health support for our first responders

All of the money donated through Michael's Run goes directly back into local mental wellness resources.

Visit www.MichaelsRun.org to donate or find out more about Michael and the work we do in his honor.
